Excellence in Action!

February 25, 2026

To Whom It May Concern:

I have had the pleasure of having Mya Nagelkirk as a student in Earth Science A and B in her junior year as well as Advisory Seminar in her junior and senior years. She is hard-working, dedicated and caring. Mya has earned a weighted GPA of 3.817 during her high school career.

Mya is a well-rounded student. Not only has Mya been successful academically pursuing a dual enrollment curriculum but has also participated in many extra-curricular activities during high school career such as the National Honor Society and Rho Kappa National Social Studies Honor Society, Student Council serving as Vice President in her senior year, and Student Leadership serving as the Vice President her senior year. Mya has earned the Holly High School Varsity Letter Award and Holly high School Scholar Award each year of her high school career. Additionally, Mya was on the swim team at Holly High School serving as swim team captain her senior year and OLY swimming competitive swimming club for two years. As a result, Mya has won many swimming awards.

Mya has also participated in many volunteer activities throughout her high school career. For example, Mya has volunteered for the VIPERS Special Needs Soccer Program, several blood drives, book drives, clothing closet drives and fundraisers.

I highly recommend Mya. I have no doubt that she will reach her academic goals. She has shown me over the years what a dedicated, hard-working student she is.

If you have any questions or concerns, please feel free to contact me at (248) 328-3200 ext. 443339. Thank you for your consideration.

Sincerely,

LaChelle M. Lemmons
