

To the Scholarship Committee,

It is my pleasure to recommend Andris Carr for your scholarship. I have had the opportunity to teach him in AP Calculus AB at Whitnall High School and to know him for the past two years. During this time, I have witnessed his perseverance, intellectual curiosity, and strong commitment to both academics and extracurricular activities.

Andris is an exceptional student who approaches challenges with determination and resilience. Calculus is a demanding course, yet he consistently met its rigor with effort and persistence. He is both resourceful and thoughtful in his approach to learning—seeking out answers on his own while also knowing when to ask thoughtful questions. This balance highlights his maturity, discipline, and willingness to grow.

Outside the classroom, Andris demonstrates the same work ethic and commitment. His involvement in Tae Kwon Do, Forensics, and Mock Trial speaks to his discipline, leadership, and ability to balance multiple responsibilities. He approaches each endeavor with focus and integrity, earning respect from peers and teachers alike.

I believe Andris is highly deserving of this scholarship. His dedication to learning, resilience in the face of challenges, and commitment to personal growth ensure that he will continue to excel in college and beyond. He is a life-long learner who will use every opportunity to better himself and contribute to his community.

I strongly endorse Andris' application for this scholarship and am confident he will honor the values it represents. Please feel free to contact me if you need any additional information.

Sincerely,

Colleen Michaud
