To whom it may concern:

It is my pleasure to write this letter of recommendation on behalf of Mr. Brett Kopp. I have been fortunate to have the young man as a student, club member, and student-athlete in my time at the School District of Plum City.

Mr. Kopp is a gentle giant that is also a fierce leader in all that he does. Whether it is as his role as a captain in football, class or club president, or a classroom leader, he wants the best out of his peers, always leading by example. The young man is the epitome of not only do as I say, but also do as I do—a true leader.

As a sophomore, he was inducted into our school's chapter of the National Honor Society, ultimately serving as our chapter president for his junior and senior years. Staff and students in our building can *always* count on him when we need a helping hand or to be a positive example or role model in the classroom. Much of this is apparent with his roles and membership in FFA, student council, FCA, NHS, and more during his high school career.

Mr. Kopp will be missed in our district, on our sports teams, and in our community. His lasting impact will be an example of what a student-leader ought to be. The young man is devout in his faith, but his integrity really shines through—always. He will be incredibly deserving of any accolade, award, or scholarship that he earns.

Sincerely:

Mr. Adrian Hook
