To Whom It May Concern:

My name is Katherine Crump, and I am writing in recommendation of Brie Ann Genzer for scholarship. I had the pleasure of teaching Brie Ann for Journalism I, Journalism II, and AP English Language & Composition. Brie Ann is disciplined, determined, and a leader.

By October of her junior year, it was obvious to me that Brie Ann was the best choice to be our yearbook editor for the next school year. She's a creative problem solver, a great team player, willing to take on challenges, meets tight deadlines, and always has a positive attitude. She's a total rock star, a leader, and an asset to any team. I'm thrilled to be able to work with her again this year as our yearbook editor-in-chief.

Another thing I really appreciate about Brie Ann is her value of integrity. Many students are inclined to find quick fixes to avoid doing their work. Brie Ann and I had a few conversations over the course of the school year where she remarked that she was determined to never do this as she felt these short term cheats only rob people of the opportunities for long term learning. She is disciplined and knows that hard work pays off. I just loved having her in AP Language. She's a very talented writer. Brie Ann is also the kind of student who keeps hold of handouts or readings because she recognizes that lessons and learning build and are in conversation with one another. I feel so fortunate that I am able to have Brie Ann in class for two years and know she will make a tremendous addition to any college campus fortunate to have her as a student.

Brie Ann is an exceptional student and deserving of scholarship.

Sincerely,

Katherine Crump, AP English Teacher
