

To Whom It May Concern,

I am writing on behalf of Jayla Thompson in support of her application for the Tall Clubs International Foundation Scholarship. Jayla has been a dedicated member of the Brandon Valley Dance Team for the past four years, during which time she has grown into an outstanding leader and a positive role model for her teammates. She served as a captain of the Brandon Valley Dance Team during the 2025 season and consistently demonstrated determination, resilience, and a strong ability to set and achieve goals. Jayla has also been a student of mine at Dynamic Cheer & Dance since she was three. Throughout the years, I have been able to watch her grow into the beautiful and confident young woman she is. Jayla is an exceptional teammate who always prioritizes the success of her team, and I have been incredibly proud to coach her throughout her high school career. I have no doubt she will continue to strive for excellence in everything she does.

Jayla is, without question, one of the hardest-working students I have had the honor to work with in my career. She actively seeks constructive feedback and uses it as motivation to improve and grow. When challenged with new skills, Jayla approaches them with a positive attitude, persistence, and a willingness to step outside her comfort zone until she achieves success. She regularly dedicates extra time to practice outside of scheduled team hours to ensure she is performing at her highest level.

Her determination extends well beyond dance. Jayla is an outstanding student who participates in multiple school activities and commits herself fully to each one. Despite a demanding schedule that includes dance, academics, extracurricular involvement, and maintaining a job, Jayla consistently demonstrates exceptional time-management skills and performs at a high level in all areas. Her ability to balance these responsibilities speaks volumes about her character, work ethic, and maturity.

I give my highest recommendation for Jayla Thompson as a recipient of this scholarship. She is truly deserving of recognition for her dedication, leadership, and commitment to excellence. Jayla has clear academic goals for her future, and this opportunity would support her continued growth as she transitions into college. Please feel free to contact me if you require any additional information.
