To the Scholarship Selection Committee of the Tall Club of America,

I am writing with great enthusiasm to recommend **Cora Winston**, a senior student, for the Tall Club of America Scholarship. I have had the privilege of knowing Cora throughout her high school career, and I can confidently say she is an exceptional young woman who embodies maturity, integrity, and an unwavering work ethic.

Standing at **6'0**, Cora exemplifies the confidence and self-assurance that Tall Club of America celebrates. She is widely respected by her peers and teachers alike for her responsible nature, strong character, and willingness to lead by example. Cora approaches every responsibility with diligence and pride, consistently striving for excellence in both academics and extracurricular pursuits.

Academically, Cora will be a Cum Laude graduate, reflecting her dedication to high achievement. She has distinguished herself through rigorous coursework and is deeply involved in extracurricular activities. She is an active FFA member, serving on multiple committees and received awards for Livestock Production and Showing, which highlights her discipline, responsibility, and commitment to agricultural education.

Beyond school, Cora has shown a strong commitment to community service and employment. She works as a Processing Clerk at a Custom Meats and Processing, where she has earned a reputation for reliability and professionalism. She has also worked as waitstaff at Conservatory at Champions, a senior living community where she is known for her strong work ethic, and compassion with the residents. As her Career Prep teacher, I have been impressed with her ability to balance multiple responsibilities while maintaining academic success.

Miss Winston is a mature, hardworking, and highly motivated individual who represents the values of Tall Club of America with distinction. I am confident she will continue to excel in her future educational and professional endeavors, and I wholeheartedly recommend her for this scholarship without reservation.

Please feel free to contact me should you require any additional information.

Sincerely,
