Admissions Committee
Samford University

Dear Admissions Committee,

I am honored to write this letter of recommendation for Luke Neff, who has been a student in my sophomore English class. As a teacher, I have seen Luke's academic growth as well as personal development. He is an outstanding candidate for Samford University.

Luke is a deep thinker who approaches topics with a balance that is analytical but also creative. His ability to engage in material that is complex is evident in class discussion and his work. Luke is a creative writer who has contributed to the school's Literary and Art Magazine. He is also a talented musician and his contributions to music ensembles further demonstrates his ability to collaborate effectively with others.

Luke is respectful to staff as well as peers. He genuinely cares about others. His leadership qualities are evident in his involvement in extracurricular activities, where he seeks to support his peers.

I wholeheartedly recommend Luke Neff for admission to Samford University. I am confident that he will thrive at Samford and make lasting contributions wherever he goes.

Should you require further information, please do not hesitate to contact me.
