Dear Members of the Scholarship Committee,

It is with great enthusiasm that I write this letter of recommendation for Molly Madsen in support of her application for the Tall Clubs International Foundation. As her travel softball coach for the past year with IN Rush 18U Eastwood, I have had the privilege of watching her grow not only into an exceptional athlete, but into an outstanding young woman of character, discipline, and leadership.

On the field, Molly consistently demonstrates the qualities every coach hopes for in a player. She leads by example through her work ethic, resilience, and commitment to excellence. Whether in practice or competition, she gives 100% effort and holds herself accountable to the highest standards. Her softball IQ, coachability, and composure under pressure make her a cornerstone of our team. Beyond her physical skill, she brings positivity, encouragement, and unity to her teammates.

What sets Molly apart, however, is who she is off the field. She balances the demanding schedule of competitive travel softball with her academic responsibilities in an impressive manner. She is organized, responsible, and driven to succeed in the classroom just as she is in athletics. Her ability to manage her time and maintain strong academic performance while competing at a high level speaks volumes about her maturity and determination.

Additionally, she exemplifies integrity and respect. She treats teammates, coaches, opponents, and officials with professionalism and sportsmanship. Younger players look up to her as a role model, and she willingly mentors and supports them. Her leadership is authentic and grounded in humility.

I have no doubt that Molly will bring the same dedication, perseverance, and positive influence to her college campus and community. She is highly deserving of this scholarship, and I wholeheartedly recommend her without reservation.

Please feel free to contact me if you need any additional information.

Sincerely,

Harry Caudill
