Recommendation Letter: Mr. Noah Perry

Committee Members:

It is my pleasure to recommend Mr. Noah Perry, a senior at Graford ISD, for your consideration. Noah is an exceptional student whose academic achievement, leadership, and athletic excellence have distinguished him as one of the most well-rounded and dependable young men in our school. He demonstrates integrity, humility, and determination in all that he does, setting a positive example for his peers both in and out of the classroom.

Noah's academic record reflects both determination and discipline. He has maintained an A Honor Roll throughout high school and earned recognition as Physics Student of the Year and United States History Student of the Year. As a Member of the National Honor Society for three years, he has embodied the organization's values of scholarship, service, leadership, and character. In addition to his high school coursework, Noah has already completed 40 hours of college credit, a remarkable accomplishment that demonstrates his readiness for higher education and his strong work ethic.

Athletically Mr. Perry has been a cornerstone of Graford's varsity basketball and baseball programs for four years. In basketball, he has earned multiple distinctions, including District Defensive Player of the Year, TABC All-Region, and Weatherford Democrat First Team, while helping lead his teams to district, regional, and state championships. On the baseball field, he has been equally committed, earning District Newcomer of the Year as a freshman and multiple All-District Honors in subsequent seasons. Noah's leadership, perseverance, and composure under pressure have made him both a respected teammate and a model of sportsmanship.

Outside the classroom and athletic arenas, Noah has been involved in his school and community. He has been a four-year member of FFA and served as Greenhand Chapter Conducting President. His volunteer service includes participation in the Graford 5K, livestock shows, multiple community clean-up efforts, and elementary field days. In addition, his work experience with Graford ISD Maintenance and Rocker B Ranch reflects the same dependability and strong work ethic that characterize his academic and athletic success.

Noah Perry is a young man of determination, integrity, and leadership. I wholeheartedly recommend him for your consideration and am confident he will continue to be successful. Please do not hesitate to contact me if I may provide additional information.

Sincerely,
