IN RE: Truitt Miller

Date: February 20, 2026

Dear Scholarship Team,

It is my pleasure to recommend Truitt Miller for the TCI Scholarship. As the Director of the Secondary Program at Kaufman Christian School, I have had the privilege of working with Truitt for five years, and I can confidently say that he is a student of outstanding character, dedication, and promise.

Truitt has demonstrated a commitment to learning. He is naturally curious about the world around him and plans to pursue a degree in sports management. His ability to engage his community, problem-solve with creative thinking, and persevere through challenges sets him apart. While balancing high school coursework and dual-credit studies Truitt has also worked a part time job.

Beyond academics, Truitt is an exceptional leader in his school and community. His spiritual depth and willingness to lead are evident in the way he facilitates small groups and engages in deep, thoughtful conversations about faith. He also serves on the Praise and Worship Team at Kaufman Christian School. His dedication to service is remarkable—Truitt has volunteered over 1000 hrs in the last 4 years supporting various populations, including children in emergency shelters, adults with special needs, summer camp programs for underserved youth, a local food bank, and a clothing closet for displaced children among many others.

In addition to his academic and service commitments, Truitt has participated in extracurricular activities, including archery and baseball.

I wholeheartedly endorse Truitt Miller for the TCI Scholarship and believe he would be a deserving recipient. Please feel free to contact me at bharris@kaufmancs.com or 903-216-7047 if you need any additional information.

Brandi Harris

Director of Secondary Program
